

## Oregon Public Service Retirement Plan (OPSRP) Pension Program and Individual Account Program (IAP) Retirement Application

### General retirement information

- You must be eligible to retire. Visit the [Benefit Component Comparison page](#) on PERS website.
- If you are a Police and Firefighter (P&F) member and wish to retire before age 65, special eligibility rules apply. You must have worked continuously as a P&F member for at least 60 months (five years) immediately preceding your retirement, **and** your effective retirement date **must be the first of the month following your separation from P&F employment.**
- You must separate from employment with all PERS-participating employers before your effective retirement date.
- If your account is divorce-related, retirement option and beneficiary restrictions may apply.
- Your application is not effective until PERS accepts it. PERS will mail or email you a letter confirming receipt of your application and may request additional items required for application acceptance.
- When you retire from the OPSRP Pension Program, you must also retire from the IAP. Complete this entire application to retire from both programs.
- **If you have a Tier One/Tier Two Loss of Membership (LOM) account**, consider applying for it now to avoid retirement benefit processing delays. To apply for the LOM account payout, complete either the [Loss of Membership Refund Application](#) or a [Tier One/Tier Two Member Account Withdrawal Application](#) and submit it before or with your retirement application.

**You will receive your first pension benefit payment within 92 days of your effective retirement date. Your IAP benefit payment is normally paid within 120 days.**

### General information on filling out the application

- You can either fill out this application online or fill out a hard copy. If you choose a hard copy, please print clearly with dark ink. Both online and hard copy methods require member hand sign and date in signature and notary areas.
- Your signature, and your spouse's signature if married, must be notarized on page two of the application. PERS staff can notarize applications at a [Retirement Application Assistance Session](#) (RAAS).
- Do not cross out, modify, or alter the application in any way— this could void your application.
- Please provide your personal email address. Confirmation and follow up letters are sent via email whenever possible.
- Depending on your choices, you may need to complete additional forms. For example, if you choose a direct deposit for your installments, you must complete the [Authorization Agreement for Automatic Deposits](#) form. We have provided links to the additional forms where appropriate. Contact PERS Member Services if you are reading a paper version of these instructions and need additional support.
- PERS must know your exact date of birth to calculate your retirement benefit. If you choose a survivorship option, PERS must also validate your beneficiary's date of birth. You will find a list of acceptable verification of age documents on page 3.
- Please use your full legal name to complete and sign forms. If submitting a driver's license or passport as your age verification document, your name on the application and age verification document should match. If your legal name is not reflected on your driver's license or passport, complete the application using your current legal name and provide proof of legal name change (marriage certificate, court document, etc.).

- The tax forms you will need to complete may be impacted by your elections so please pay close attention to which tax forms you are including with your application.
- Include your name and Social Security number (SSN) or PERS ID at the top of every page and on any documents submitted with your application. Providing your SSN is mandatory, and PERS is authorized to request it under Internal Revenue code provisions. It will be used primarily to comply with mandatory IRS reporting. However, PERS may also use it internally for confirmation purposes or recovery of overpaid funds. (If you do not want it used for these purposes, enclose a written statement to that effect with your retirement application.)
- Mail, fax, or deliver your completed application with accompanying forms and required documents to PERS. **Keep a copy for your records.**

### **Forms and documents normally needed to receive benefits**

- **Oregon Public Service Retirement Plan (OPSRP) Pension Program and Individual Account Program (IAP) Retirement Application**

- [Authorization Agreement for Automatic Deposit](#) form (optional)

- If it is impossible for you to furnish the proof required in Group 1 or 2, write to PERS with a full explanation.
- Since the documents submitted cannot be returned, we suggest using photocopies. If it is illegal to copy a document, bring it in, and PERS will verify the birth information.

\*\*A compliant REAL ID will have a picture of a star, or a star cutout in the upper right-hand corner of the card. In lieu of REAL IDs, some states also have issued "enhanced" driver's licenses, driver's permits, or ID cards. Enhanced cards are REAL ID compliant and will bear an American flag emblem and the word "enhanced" on the front of the card.

# Step-by-step instructions for filling out your retirement application

## Section A: Applicant information (required)

Fill in this section completely.

Provide your Social Security number (SSN) and your PERS ID. If you do not know your PERS ID, leave the PERS ID box blank; however, providing your SSN is mandatory. Your application will be delayed if SSN is missing.

Enter your date of birth in the area provided. You must also present document(s) to verify your age. You will find a list of acceptable verification of age documents on page 3 of these instructions.

Provide your personal email address. Confirmation and follow up letters are sent via email whenever possible.

## Section B: Effective retirement date (required)

Enter the month and year you want to begin your retirement. Retirements **always** begin on the first of the month, so you only need to enter the **month** and the **year**.

Your **effective retirement date** can be no sooner than either the first day of the month following the last day you worked (or were on qualifying paid leave) or the first of the month following the month PERS receives your retirement application, whichever is later. **Examples:** If your last day worked is May 5, 2022, your retirement date can be no earlier than June 1, 2022. If your last day worked was May 6, 2022, but PERS does not receive your application until June 6, 2022, your retirement date can be no earlier than July 1, 2022.

If you are retiring as a Police and Firefighter (P&F) member, make sure to refer to your [OPSRP Pension Program and Individual Account Program Pre-Retirement Guide](#) for special rules.

### Please note the following restrictions:

- To change or establish a new retirement date, you must submit a new retirement application and any additional required forms. PERS must receive these, as required by law, **before the issue date of your first benefit payment.**
- To change your option after your retirement date you must submit a new, signed and notarized retirement application **requesting a later retirement date.** PERS must receive the new application **before the issue date of your first benefit payment.**
- To cancel your retirement application, PERS must receive a written and signed cancellation request **before the issue date of your first benefit payment.** This request can be faxed to 503-598-0561, mailed to P.O. Box 23700, Tigard, OR 97281-3700, or delivered to PERS at 11410 SW 68th Parkway, Tigard, OR 97223.

## Section C: U.S. Citizenship (required)

PERS must know your citizenship for tax purposes. Check the appropriate box.

- **Check I am a U.S. citizen or resident noncitizen** if you are a U.S. citizen or a resident noncitizen.
  - If you are a United States citizen living outside of the United States, you will be required to complete form [W-9](#) and are not allowed to claim exempt from United States federal income tax withholding. The [W-9](#) is available in the Forms section of the PERS website.
- **Check I am a nonresident noncitizen** if you are a nonresident noncitizen and complete [IRS Form W-8BEN](#): Certificate of Foreign Status of Beneficial Owner for United States Tax Withholding. This form is available in the Forms section of the PERS website.

## Section D: Working after retirement acknowledgment

**By signing Section F you are acknowledging that you read and understand the limitations of working for a PERS-participating employer after retirement.**

### Work After Retirement Information for OPSRP Retirees.

If you return to employment with a PERS-participating employer in the state of Oregon after retirement, Oregon statutes impose certain limitations on that employment. **Compliance with the statutory limitations is your responsibility. If you exceed the work-hour limitations, you will be accountable.** Exceeding the limitations may lead to your retirement benefits being canceled and you being invoiced for any overpaid benefits.

*Notice:* Senate Bill 1049, passed by the Oregon Legislature in 2019, [lifted most restrictions on working after retirement](#) for **calendar years 2020 through 2024**. During these years, most PERS retirees who retire at “normal” retirement age may return to work for a PERS-participating employer and still collect their PERS retirement benefits with no limitations imposed by PERS. Your employer may have other limitations on your work hours.

Find full information on the [PERS website](#), including flowcharts, to see if you can work unlimited hours while continuing to receive your pension benefit.

### **Early retiree PERS Work-After-Retirement limitations**

If you retire early, follow these guidelines to continue to receive your PERS benefits if you go back to work for one or more public employer(s) in Oregon:

- Make sure you have a complete break from any PERS-participating employment for **at least six full months** after your retirement date, before returning to work, if you want to work unlimited hours.
- If you **do not** have a six-month break, as an OPSRP early retiree, you may work **less than 600 hours in a calendar year** as a retiree. More details about these limitations can be found on the [PERS website](#).

### **Social Security limitations**

If you are receiving Social Security benefits and have not reached “full retirement age” (FRA) under Social Security, the Social Security Administration and PERS have additional limitations on your employment. If you have not reached FRA, you may need to limit your hours to stay within the income allowed under the annual Social Security income limits. For details, go to the [Social Security website](#).

## **Section E: Acknowledgement of Receipt of Federal Tax Information Disclosure**

The IRS requires PERS to notify you of the tax consequences of taking a distribution by providing the [Federal Tax Information Disclosure](#).

**By signing Section F you are acknowledging that you have received and read the [Federal Tax Information Disclosure](#).**

You have 30 days to review your distribution options and the associated tax consequences. PERS will not process your payment until the 30-day period has passed unless you check the box to waive your right to this 30-day period. If you check the waiver box, PERS will process your distribution as soon as possible.

If PERS is unable to process your distribution within 180 days from the signature date in Section F, the IRS requires us to provide the [Federal Tax Information Disclosure](#) again, and you will need to complete a new [Acknowledgement of Receipt of Federal Tax Information Disclosure](#) form. We will contact you if this happens.

## **Section F: Member signature (required)**

**You must sign and date in Section F** to acknowledge the statements in Sections D and E and declare the information you have provided on this page is true to the best of your knowledge and belief.

## **Section G: Retirement options (required)**

Important: We **highly** recommend you read and understand “Section A: OPSRP Pension Program - Part One: Retirement Options and Part Two: Other Things to Know” your [OPSRP Pension Program and Individual Account Program Pre-Retirement Guide](#) before filling out this section.

Any corrections, alterations, or omissions in this section **may require a new application be submitted** which could cause a delay processing your benefits.

Select only **ONE** of the **5** options listed.

See your [OPSRP Pension Program and Individual Account Program Pre-Retirement Guide](#) for information regarding registered domestic partners.

**You can change your option by submitting a new, signed and notarized retirement application up to your effective retirement date.** The option choice becomes irrevocable on your effective retirement date. To change your effective retirement date see instructions in Section B.

**Small Benefit Cash Out (SBCO) information** – Some members may receive an estimate or letter stating their monthly OPSRP pension unreduced single life benefit will be less than \$200 a month and they will receive a SBCO. Although a SBCO may be paid in lieu of a monthly pension benefit, the SBCO is not a selectable benefit option. All retiring members must choose a valid option in Section G and complete the beneficiary designation in Section H.

## **Section H: OPSRP beneficiary designation (required)**

Any corrections, alterations, or omissions in this section **may require a new application be submitted** which could cause a delay processing your benefits.

**All members should name a beneficiary in this section. If you selected a survivorship option you are required to complete this section.**

- You may only name one beneficiary and it must be a person.
- You must provide your beneficiary's legal name, date of birth, and the beneficiary's relationship to you. Your application will be returned if information is missing. This could delay your benefit payment.
- PERS also requests that you provide your beneficiary's Social Security number. This can be an important tool in identifying and locating your beneficiary after your passing.

The designation becomes effective on your effective retirement date.

If you elect the Single Life Option and die on or after your effective retirement date, but before PERS has distributed your first payment, the beneficiary named in Section H will receive a one-time payment of your accrued, but unpaid retirement benefits.

**You can change your beneficiary up to your effective retirement date by submitting a new, signed and notarized retirement application.** See your [OPSRP Pension Program and Individual Account Program Pre-Retirement Guide](#) for more information. Your beneficiary becomes irrevocable on your effective retirement date. To change your effective retirement date see instructions in Section B.

## **Section I: Verification of Age (required)**

Check the boxes to indicate you are submitting age documentation for yourself and for your beneficiary if you selected a survivorship option.

A list of acceptable verification of age documents is on page 3 of these instructions. Illegible verification of age documents routinely cause benefit delays. **Please provide legible documentation.**

## **Section J: Member declaration and Spousal consent – notarized signatures (required)**

**Do not complete any part of this section until you are with the notary.** Any corrections, alterations, or omissions in this section **may require a new application be submitted** which could cause a delay processing your benefits. Notary stamp must be legible.

### **Member:**

- You must **select one of the marital status boxes** to indicate your marital status as of your effective retirement date.
- **Your signature and date must be notarized.**
- Your signature date and the notary's signature date must be the same date.

### **Member's Spouse** (if member is married):

- **Your signature and date must be notarized** to indicate your spousal consent of the option and beneficiary selected by the member.
- Your signature date and the notary's signature date must be the same date.

Failure of a married member to obtain valid spousal consent in this section will result in a mandatory default to a Half-Survivorship Option with your spouse as your beneficiary.

## Section K: IAP distribution option

You must choose one option in Section K to select your IAP distribution.

Be aware that all IAP distributions except those automatically deposited to your bank account and those rolled over to the Oregon Savings Growth Plan (OSGP) will be mailed directly to the address listed in **Section A** of your application. In the case of a rollover, your financial institution will be the payee on the check. Requests for rollovers to the Oregon Savings Growth Plan (OSGP) are automatically transferred from your IAP account into your OSGP account. You must be a current OSGP participant to roll over your installment(s) to OSGP.

### Distribution option details:

- **One-time lump-sum distribution or 5-year installment distribution** (rollover eligible)

In a one-time lump-sum distribution of your entire IAP account, or in the case of the 5-year installment distribution, you may elect to have all or a portion of the distribution rolled over. These rollover-eligible distributions can be paid directly to you or rolled over to an IRA, eligible employer plan, or deferred compensation plan. It can also be split as a combination payment, including an amount rolled over, and the remainder issued in a payment directly to you. The minimum pre-distribution account balance required for the rollover portion in a combination split/roll distribution is \$500.

If you choose a one-time lump-sum distribution or a 5-year installment distribution, you must also complete **Section L**. And you must also fill out the [W-4R – IAP Lump Sum Withholding](#) form if you are not rolling over 100% of your distribution.

- **10-, 15-, 20-year, and Anticipated Life-Span Option installment distribution**

The 10-, 15-, 20-year, and Anticipated Life-Span Option installment distribution options are not rollover eligible. You may choose to receive installment payments by a direct deposit into your bank account or by a check mailed directly to you. You must also fill out the [W-4P tax withholding](#) form.

### Frequency details for installment distribution options:

- **5-, 10-, 15-, 20-year, and Anticipated Life-Span Option installment distribution**

All options other than the one-time lump-sum distribution receive installment payments. Because you will receive installments you must also choose a monthly, quarterly, or annual distribution frequency.

**Select your preferred frequency directly below your elected installment distribution.**

Once your distribution has begun, your payment will be equal to the current market value of your account divided by the number of payments left for the balance of the distribution. Because the market fluctuates daily, each distribution may be different based on the current market value of your account. If your account reaches a zero balance, your distribution stops, regardless of the number of payments left for the option chosen.

If you elect an installment option, you must designate a beneficiary by completing **Section M**.

If you decide you no longer wish to receive an installment distribution, you can make a one-time decision to cash out your IAP account. Once the account is distributed as a cash-out, it is not reversible and will close your PERS IAP account.

Membership in PERS is retained with an IAP cash-out at retirement; should you return to qualifying employment, you will not need to serve a six-month waiting period.

If you decide to cash out and the distribution of your remaining account balance is greater than \$200, the distribution is rollover-eligible and will be taxed accordingly.

If you decide to cash out, are under the age of 59½, and are not rolling over these funds, the IRS may assess a 10% early withdrawal penalty.

If you have any questions regarding tax laws, you may want to consult with a qualified tax professional or the IRS.

## Section L: IAP payment distribution

**ONLY complete this section if you selected one-time lump-sum or a 5-year installment. (Box # 1 or #2 in Section K)**

Indicate whether or not to roll over any portion of your distribution into a traditional IRA, Roth IRA, or another deferred compensation or eligible employer plan.

**Check box 1 if you want your IAP distribution to go directly to you.** Please fill out the [Direct Deposit](#) form to have your distribution deposited into your bank account. You will be taxed on your distribution, complete the [W-4R IAP Lump Sum Withholding](#) form. Selecting box 1 completes Section L.

**Check box 2 to roll over your IAP distribution.**

**Fill in the information in 2a to indicate the specific percentage or dollar amount to be rolled over.** If you roll over less than 100% of your benefit, complete the [W-4R IAP Lump Sum Withholding](#) form.

**Fill in the information in 2b and 2c.**

- **Check one of the boxes under 2b** to indicate whether the distribution(s) will be going to the Oregon Savings Growth Plan (OSGP), a traditional IRA, Roth IRA, or another deferred compensation or eligible employer plan.
- **In box 2c**, provide the name of your financial institution or employer plan for your rollover payment. The rollover check will be made payable to the institution or plan you provide in this box, if you are uncertain to whom the check should be payable, please consult with your financial institution or employer plan prior to completing this section.

Note: All IAP rollover checks other than to OSGP will be mailed to you with the financial institution or employer plan as the payee. **You must be a current OSGP participant to roll over your distribution(s) to OSGP.**

If you are rolling over funds to another deferred compensation or employer plan other than OSGP, **you must have an authorized representative of the plan complete the [IAP Direct Transfer Rollover Acceptance](#) form.**

## Section M: IAP beneficiary designation

**All members with an IAP should complete this section** to designate a beneficiary or beneficiaries for the IAP. The designation becomes effective on your effective retirement date. This designation applies if you select a one-time lump sum and die on or after your effective retirement date but before your benefit is distributed or if you select an installment option and die anytime on or after your effective retirement date.

**Check the appropriate box** to use the **standard** beneficiary designation or to name **specific** beneficiaries.

If you choose the standard designation, **do not** name any specific person. Instead, your beneficiary selection follows the order described in law.

**The standard designation directs PERS to pay benefits in the order listed below:**

- 1) Your spouse, if legally married at the time of death. If not married, then to
- 2) Your child\* or children in equal shares. If any of your children are deceased, their portion is equally divided between their children who are alive at the time of your death. If all of your children predecease you, the benefit will be awarded to your grandchildren living at the time of your death, in equal shares. If no children or grandchildren survive you, then to
- 3) Your mother and father in equal shares, or to the survivor. If neither survives you, then to
- 4) Your brothers and sisters in equal shares, and the share of any brother or sister who does not survive you, to their children living at the time of your death in equal shares. If none of your brothers or sisters survive you, to the children of your brothers and sisters living at the time of your death in equal shares. If neither your siblings nor their children survive you, then to
- 5) Your estate

\*Natural born and adopted children are considered “children” even if you selected the standard designation before or after their adoption or birth. If your children are adopted by someone else, they are not considered your “children” under the standard designation. If you wish to name the adopted-out children as your beneficiary, use the specific designation part of this form.

## Section M: IAP beneficiary designation (continued)

The **specific** designation allows you to name specific persons, charities, trusts, or your estate.

Providing requested information assists in locating your beneficiary.

If you need to add more beneficiaries, attach an additional sheet of paper that includes all the same information listed in the table for each beneficiary. Include your name and SSN at the top of each additional sheet.

- The percentages assigned to primary beneficiaries must total 100%.
- If you do not assign percentages, the beneficiaries on that level (primaries or alternates under each specific primary) will share equally.
- You can name one or more alternate beneficiaries for each of your primary beneficiaries. The alternates will receive the primary beneficiary's share if the primary beneficiary predeceases you. Note: The percentage you designate for the alternates must equal the percentage you assigned to the primary beneficiary. (E.g., if you designate 50% to primary beneficiary #1 and have two alternates for that beneficiary, the percentages for the two alternates must total 50%.)
- If you name your estate as a beneficiary, you may not provide an alternate beneficiary for your estate.

## General Instructions

Section references are to the Internal Revenue Code.

**Future developments.** For the latest information about any future developments related to Form W-4P, such as legislation enacted after it was published, go to [www.irs.gov/FormW4P](http://www.irs.gov/FormW4P).

**Purpose of form.** Complete Form W-4P to have payers withhold the correct amount of federal income tax from your periodic pension, annuity (including commercial annuities), profit-sharing and stock bonus plan, or IRA payments. Federal income tax withholding applies to the taxable part of these payments. Periodic payments are made in installments at regular intervals (for example, annually, quarterly, or monthly) over a period of more than 1 year. Don't use Form W-4P for a nonperiodic payment (note that distributions from an IRA that are payable on demand are treated as nonperiodic payments) or an eligible rollover distribution (including a lump-sum pension payment). Instead, use Form W-4R, Withholding Certificate for Nonperiodic Payments and Eligible Rollover Distributions, for these payments/distributions. For more information on withholding, see Pub. 505, Tax Withholding and Estimated Tax.

**Choosing not to have income tax withheld.** You can choose not to have federal income tax withheld from your payments by writing "No Withholding" on Form W-4P in the space below Step 4(c). Then, complete Steps 1a, 1b, and 5. Generally, if you are a U.S. citizen or a resident alien, you are not permitted to elect not to have federal income tax withheld on payments to be delivered outside the United States and its territories.

**Caution:** If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return. If your tax situation changes, or you chose not to have federal income tax withheld and you now want withholding, you should submit a new Form W-4P.

**Self-employment.** Generally, you will owe both income and self-employment taxes on any self-employment income you (or you and your spouse) receive. If you do not have a job and want to pay these taxes through withholding from your payments, you should enter the self-employment income in Step 4(a). Then compute your self-employment tax, divide that tax by the number of payments remaining in the year, and include that resulting amount per payment in Step 4(c). You can also add half of the annual amount of self-employment tax to Step 4(b) as a deduction. To calculate self-employment tax, you generally multiply the self-employment income by 14.13% (this rate is a quick way to figure your self-employment tax and equals the sum of the 12.4% social security tax and the 2.9% Medicare tax multiplied by 0.9235). See Pub. 505 for more information, especially if your self-employment income multiplied by 0.9235 is over \$160,200.

**Payments to nonresident aliens and foreign estates.** Do not use Form W-4P. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, and Pub. 519, U.S. Tax Guide for Aliens, for more information.

**Tax relief for victims of terrorist attacks.** If your disability payments for injuries incurred as a direct result of a terrorist attack are not taxable, write "No Withholding" in the space below Step 4(c). See Pub. 3920, Tax Relief for Victims of Terrorist Attacks, for more details.

## Specific Instructions

**Step 1(c).** Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

**Step 2.** Use this step if you have at least one of the following: income from a job, income from more than one pension/annuity, and/or a spouse (if married filing jointly) that receives income from a job/pension/annuity. The following examples will assist you in completing Step 2.

**Example 1.** Bob, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Bob also has a job that pays \$25,000 a year. Bob has no other pensions or annuities. Bob will enter \$25,000 in Step 2(b)(i) and in Step 2(b)(iii).

If Bob also has \$1,000 of interest income, which he entered on Form W-4, Step 4(a), then he will instead enter \$26,000 in Step 2(b)(i) and in Step 2(b)(iii). He will make no entries in Step 4(a) on this Form W-4P.

**Example 2.** Carol, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Carol does not have a job, but she also receives another pension for \$25,000 a year (which pays less annually than the \$50,000 pension). Carol will enter \$25,000 in Step 2(b)(ii) and in Step 2(b)(iii).

If Carol also has \$1,000 of interest income, then she will enter \$1,000 in Step 4(a) of this Form W-4P.

**Example 3.** Don, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Don does not have a job, but he receives another pension for \$75,000 a year (which pays more annually than the \$50,000 pension). Don will not enter any amounts in Step 2.

If Don also has \$1,000 of interest income, he won't enter that amount on this Form W-4P because he entered the \$1,000 on the Form W-4P for the higher paying \$75,000 pension.

**Example 4.** Ann, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Ann also has a job that pays \$25,000 a year and another pension that pays \$20,000 a year. Ann will enter \$25,000 in Step 2(b)(i), \$20,000 in Step 2(b)(ii), and \$45,000 in Step 2(b)(iii).

If Ann also has \$1,000 of interest income, which she entered on Form W-4, Step 4(a), she will instead enter \$26,000 in Step 2(b)(i), leave Step 2(b)(ii) unchanged, and enter \$46,000 in Step 2(b)(iii). She will make no entries in Step 4(a) of this Form W-4P.

If you are married filing jointly, the entries described above do not change if your spouse is the one who has the job or the other pension/annuity instead of you.

**Multiple sources of pensions/annuities or jobs.** If you (or if married filing jointly, you and/or your spouse) have a job (s), do NOT complete Steps 3 through 4(b) on Form W-4P. Instead, complete Steps 3 through 4(b) on the Form W-4 for the job.

If you (or if married filing jointly, you and your spouse) do not have a job, complete Steps 3 through 4(b) on Form W-4P for **only** the pension/annuity that pays the most annually. Leave those steps blank for the other pensions/annuities.

**Step 3.** This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible in this step, such as the foreign tax credit and the education tax credits. Including these credits will increase your payments and reduce the amount of any refund you may receive when you file your tax return.

### Step 4 (optional).

**Step 4(a).** Enter in this step the total of your other estimated income for the year, if any. You shouldn't include amounts from any job(s) or pension/annuity payments. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your pension, see Form 1040-ES, Estimated Tax for Individuals.

**Step 4(b).** Enter in this step the amount from the Deductions Worksheet, line 6, if you expect to claim deductions other than the basic standard deduction on your 2023 tax return and want to reduce your withholding to account for these deductions. This includes itemized deductions, the additional standard deduction for those 65 and over, and other deductions such as for student loan interest and IRAs.

**Step 4(c).** Enter in this step any additional tax you want withheld from **each payment**. Entering an amount here will reduce your payments and will either increase your refund or reduce any amount of tax that you owe. **Note:** If you don't give Form W-4P to your payer, you don't provide an SSN, or the IRS notifies the payer that you gave an incorrect SSN, then the payer will withhold tax from your payments as if your filing status is single with no adjustments in Steps 2 through 4. For payments that began before 2023, your current withholding election (or your default rate) remains in effect unless you submit a new Form W-4P.

## Step 4(b)—Deductions Worksheet (Keep for your records.)

1	Enter an estimate of your 2023 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income .....	1 \$ _____

# Form OR-W-4 Instructions

## Oregon Withholding Statement and Exemption Certificate

**2023**

### Purpose of this form

Use Form OR-W-4 to tell your employer or other payer how much Oregon income tax to withhold from your wages or other periodic income.

**Instructions for employer or other payer.** Enter the business name, federal employer identification number (FEIN), and address in the “Employer use only” section of Form OR-W-4. Keep the completed form with your records. For more information and additional instructions, see Publication 150-211-602, *W-4 Information for Employers*, and the additional resources listed on page 4.

### Complete Form OR-W-4 if:

- You’re starting a new job with an employer who must withhold Oregon tax from your pay.
- You’re receiving a pension or annuity and the payer must withhold Oregon tax from each payment.
- You’ve had a recent personal or financial change that affects your taxes, such as a change in your income, filing status, or number of dependents.
- You weren’t satisfied with the amount of Oregon tax you owed or had refunded to you when you filed a recent return.
- You filed a federal Form W-4 with your employer after 2017 that didn’t specify withholding allowances for Oregon.

The worksheets in these instructions are designed to help you estimate the amount of Oregon tax your employer should withhold from your pay. For a more **accurate** estimate, use the **Oregon Withholding Calculator** at [www.oregon.gov/dor](http://www.oregon.gov/dor) before you complete Form OR-W-4.

**Pension and annuity withholding.** Use Form OR-W-4 to designate the Oregon withholding from your pension, annuity, or other periodic payments.

### Questions to consider:

- Do you (including your spouse) **have more than one job**?
- Do you expect your wages or your total income for 2023 to be **more than \$100,000** (or **\$200,000** if you’re married and will file a joint return with your spouse, or you’re a recent widow(er))?
- Are you making **mid-year changes** to your withholding?
- Do you receive **pension or annuity payments**?
- Do you live outside Oregon, or did you move to Oregon this year?
- Are you a **nonresident alien**?

 If you answered **yes** to **any** of these questions, read the “Specific information” section in these instructions before completing the worksheets or Form OR-W-4. Consider using the online **Oregon Withholding Calculator** at [www.oregon.gov/dor](http://www.oregon.gov/dor) instead of the worksheets for more accurate results.

### General information

#### What is Oregon income tax withholding?

Oregon income tax must be paid during the year as you earn or receive your income. Employers and certain other payers are required by law to set aside (withhold) part of your paycheck or other payment for taxes that they send to the Department of Revenue on your behalf every time they pay you. “Withholding” refers to the portion of income that your employer or other payer holds back from each paycheck or other payment.

#### How is the amount of Oregon income tax withholding determined?

The amount that the employer or other payer must withhold depends on several things, such as:

- Your income.
- Your marital status.
- The number of children or other dependents you have.

**Allowances.** Depending on your situation, some of your income might not be subject to withholding. Each allowance reduces the amount of income that is withheld from each payment. The worksheets in these instructions will help you determine how many allowances you may claim.

**Additional withholding.** You may want to have more money withheld from each payment. If you have other income that isn’t subject to withholding, requesting additional withholding on Form OR-W-4 may help you avoid owing tax on that other income when you file your tax return.

You report your marital status, allowances, and any additional amount you want withheld by completing Form OR-W-4 and submitting it to your employer or other payer. They will use this information, along with Publication 150-206-436, *Oregon Withholding Tax Formulas*, to withhold a specific amount each pay period.

#### What if too much or not enough is withheld?

If you have too much tax withheld, you may have a refund when you file your tax return. This is money that you couldn’t use during the year when you might have needed it.

If you have too little tax withheld, you may owe tax when you file your tax return, including penalty and interest. This is money that you might have used during the year but will need to pay when you file your return after the year ends. See Publication OR-17 for penalty and interest information.

#### Why can’t the federal form be used for all withholding?

Oregon employees used to be able to use federal Form W-4 for both their federal and Oregon withholding. In 2020, the Internal Revenue Service made some major changes to the

way that federal withholding is done. They changed Form W-4 in such a way that it can no longer be used for Oregon withholding purposes. Similar changes were made to Form W-4P, for withholding from pensions and annuities, starting in 2022. You must use Oregon's Form OR-W-4 instead.

### How often does Form OR-W-4 have to be submitted?

Complete and submit a new Form OR-W-4 when you start a new job and whenever your tax situation changes. This includes changes in your income, marital status, and number of dependents.

**Note:** If you are claiming an exemption from Oregon withholding, you must submit a new Form OR-W-4 by February 15 every year if you continue to qualify for exemption. See the instructions for line 4.

### What will happen if no Form OR-W-4 is submitted?

Your employer or other payer will refer to your most recent withholding form to determine your withholding. If no Form OR-W-4 has been submitted, they will withhold for Oregon based upon the following order:

- An Oregon-only version of the federal Form W-4 for a year prior to 2020, or federal Form W-4P for a year prior to 2022.
- Federal Form W-4 for a year prior to 2020, or Form W-4P for a year prior to 2022.
- Eight percent of your wages or other income subject to withholding.

### What will happen if the information on the form is false?

You may be assessed a penalty of \$500 if there is no reasonable basis for the instructions you're giving your employer or other payer using Form OR-W-4.

## Specific information

**Two earners or multiple jobs.** See the instructions for **Worksheet C** or use the online withholding calculator if you have more than one job at a time or will file a joint return with a working spouse.

**Wages or adjusted gross income (AGI)\* that exceed the threshold.** Your income level affects your withholding. Do you expect to have wages or AGI on your 2023 return that are **more than \$100,000** (or **\$200,000** if using the married filing jointly or the qualifying surviving spouse filing status)? If so, you may want to request additional withholding. Consider using the online calculator to determine the correct amount to put on your Form OR-W-4.

**\*Helpful tip: AGI.** Your AGI is your total income minus federal adjustments to income. This amount on your 2022 federal Form 1040 may help you estimate your 2023 AGI.

**Mid-year changes.** If you discover that you claimed too many allowances for the first part of the year, your withholding may not cover all of your tax when you file your return. Use the online calculator to determine the additional amount you need withheld to make up for the shortage. If you don't change your withholding, you may owe tax, penalties, and

interest when you file your return. See Publication OR-17 for penalty and interest information.

**Pension or annuity payments.** If you've opted out of federal withholding from a pension, annuity, or other periodic payment, you're automatically opted out of Oregon withholding also. If you're not having tax withheld from this income, you may be required to make estimated tax payments. See Publication OR-ESTIMATE to determine the amount of estimated tax payments you need to make.

If you elect to have Oregon tax withheld from your pension or annuity payment, where the tax must be withheld at a certain percentage, you can't claim allowances on Form OR-W-4, but you may request additional withholding.

**Exemption from withholding.** You may be in a situation where none of your income is subject to Oregon tax. In that case, your income may be exempt from withholding. The exemption period depends on the type of income you have. **For wages, the exemption ends on February 15th of the following year.** For commercial annuities, employer deferred compensation plans, and individual retirement plans where an election to have no withholding may be made, the exemption ends when you notify the payer in writing that you revoke the election. See the instructions for line 4.

**Part-year and nonresidents.** Have you recently moved to Oregon, or do you live outside the state? If so, you'll report your Oregon income and deductions in the Oregon column of your part-year or nonresident tax return. Use only the amounts that will be in the Oregon column when you complete Worksheet B or C, or use the online withholding calculator for more accurate results.

**Nonresident alien.** If all or a portion of your wages are exempt from federal withholding, these wages are also completely or partially exempt from Oregon withholding. Submit federal Form 8233, *Exemption from Withholding on Compensation for Independent Personal Services of a Nonresident Alien Individual*, to your employer to exempt all or part of your wages from Oregon withholding.

If any portion of your wages are not exempt, submit Form OR-W-4 to your employer. As a nonresident alien, you may not qualify to claim certain deductions from your Oregon income, so you will need to take extra steps to ensure that your withholding is adequate. Follow the instructions below when completing Form OR-W-4:

- **Line 1.** Check the "single" box regardless of your marital status.
- **Line 2.** Usually, you should claim -0- withholding allowances. However, if you complete the worksheets, follow the instructions below.
  - Complete Worksheet B using amounts that will be included in the Oregon column of your return.
  - Once you have completed all applicable worksheets, subtract 1 allowance from the number on lines A4, B15, or C5.
- **Line 4.** Don't claim exempt due to "no tax liability" or for the portion of your wages exempted on federal Form 8233.

## Form OR-W-4 line instructions

For the form and all worksheet instructions, terms such as “pay,” “paycheck,” and “wages” also refer to pensions, annuities, and other periodic payments, and the word “employer” also refers to other payers.

Type or clearly print your name, Social Security number (SSN), and mailing address.

**Note.** You must enter a SSN. You can’t use an individual taxpayer identification number (ITIN).

**Redetermination check box.** If the department issued a determination letter to your employer specifying the amount your employer needs to withhold from your wages and you want to decrease your withholding, you must have a personal or financial change affecting your tax situation. If you do, mark the “Redetermination” check box. Provide a copy to your employer and send a copy with **all** of the applicable worksheets filled out to the department at:

ADP OR-W-4 Project  
Oregon Department of Revenue  
PO Box 14560  
Salem, OR 97309

**Line 1.** If you anticipate using the single, married filing separately, or head of household filing status when you file your 2023 return, mark “Single.”

If you anticipate using the married filing jointly or qualifying surviving spouse filing status when you file your 2023 return, mark “Married.” If you meet the married filing jointly qualifications, but want tax withheld at the higher “single” rate, mark “Married, but withholding at the higher single rate.”

For the qualifications of each filing status, see federal Publication 501, *Exemptions, Standard Deduction, and Filing Information*.

**Line 2.** Complete all applicable worksheets. Enter the allowances from **Worksheet A**, line A4, **Worksheet B**, line B15, or **Worksheet C**, line C5.

**Line 3.** If you choose to have an additional amount withheld from your pay, enter the amount that you want withheld from each paycheck. If you completed **Worksheet C**, line C8 may direct you to claim an additional amount per paycheck.

**Line 4.** If you’re claiming **exemption from withholding**, you must meet one of these requirements:

- Your wages must be exempt from Oregon taxation, or
- You must meet the qualification for having no tax liability.

To claim exemption due to **no tax liability**, you must meet **both** of the following conditions:

- Last year you had the right to a refund of **all** Oregon tax withheld because you had **no** tax liability, **and**
- This year you expect a refund of **all** Oregon income tax withheld because you expect to have **no** tax liability.

To claim exempt, enter the corresponding code from the **Exemption chart** on line 4a. Enter only one exemption code, even if more than one applies. Write “Exempt” on line 4b.

**Note:** For wages, exemptions end February 15th of the following year. A new Form OR-W-4 must be completed and submitted to your employer each year.

## Worksheet instructions

### Worksheet A—Personal allowances

**Line A3. Dependents.** Enter the total number of all qualifying children and qualifying relatives you are able to claim as a dependent on your Oregon return. See the “Exemption credit” section of Publication OR-17 for dependent qualifications.

### Worksheet B—Deductions, adjustments, credits, and nonwage income

**Line B1.** If you have large amounts of **nonwage income**, such as interest, dividends, or self-employment income, consider making estimated tax payments. For required payments and other information, see Publication OR-ESTIMATE. Otherwise, you may owe additional tax when you file your return, together with interest on any underpayment of required estimated tax payments.

**Line B2. Additions** are generally items the federal government doesn’t tax but Oregon does. See Publication OR-17 for a list of additions and instructions.

**Line B4.** Enter your anticipated 2023 Oregon **deductions**. If you don't know your anticipated 2023 deductions, enter the standard deduction for your anticipated filing status.

The 2023 **standard deduction** for each filing status is:

- \$2,605 for single or married filing separately.
- \$4,195 for head of household.
- \$5,210 for married filing jointly or qualifying surviving spouse.

If you qualify for an **additional standard deduction amount** because you or your spouse are age 65 or older or blind, and you don't plan to itemize your deductions, include the additional amount when you enter your estimated standard deduction for 2023.

**Itemized deductions** include items such as medical expenses that are more than 7 1/2 percent of your AGI, state and local taxes you paid (limited to \$10,000, but don't include Oregon income taxes), qualifying home mortgage interest, charitable contributions, and certain miscellaneous deductions. If you plan to itemize your deductions, enter your estimated **Oregon itemized deductions**. See Schedule OR-A Instructions for more information.

**Line B7. Adjustments to income** reduce your gross income, resulting in AGI on your federal return. See the instructions for federal Form 1040 and the "Adjustments" section of Publication OR-17 for more information.

**Subtractions** are generally items the federal government taxes but Oregon doesn't. See Publication OR-17 for a list of subtractions and instructions. **Don't** include your federal tax subtraction.

**Line B10.** Divide line B9 by \$2,800. Round to one decimal place. For example, round 4.84 to 4.8 and 4.85 to 4.9. This calculation converts the amount from line B9 into allowances.

**Line B11. Credits** reduce the amount of tax you must pay. Standard and carryforward credits can reduce your tax to zero but can't be refunded to you. Refundable credits can reduce your tax to zero and also result in a refund of any remaining amount. See Publication OR-17 for a list of credits and instructions.

Enter an estimate of the credits you will claim on your 2023 Oregon return. **Don't** include your exemption credits.

**Line B12.** Divide line B11 by \$236. Round using one decimal place. For example, round 4.84 to 4.8 and 4.85 to 4.9. This calculation converts the amount from B11 into allowances.

**Line B13.** Add lines B10 and B12. Round to the nearest whole number that is closer to zero by eliminating the decimal value. For example, round 4.3 or 4.8 to 4 and round -3.3 or -3.7 to -3.

**Example 1.** Roger entered -3.1 on line B10. He entered 2.4 on line B12. He will enter -0- on line B13 ( $-3.1 + 2.4 = -0.7$ , which is rounded to 0).

**Line B15.** If the result on line B15 is less than zero, you may owe tax when you file your return. Request additional withholding or consider making estimated tax payments to avoid owing tax plus potential penalties and interest. See Publication OR-ESTIMATE for information about estimated payments.

## Worksheet C—Two earners / multiple jobs

Use Worksheet C if you work more than one job at a time or you have a working spouse. Follow the instructions on the worksheet, then enter the results on Form OR-W-4 as indicated.

**Line C5.** For your highest paying job, enter the result of **Worksheet C**, line C5 on Form OR-W-4, line 2. For all of your lower paying jobs, claim zero allowances.

**Line C8.** For your highest paying job, enter the result of **Worksheet C**, line C8 on Form OR-W-4, line 3. Round to the nearest whole dollar. For all of your lower paying jobs, claim zero as the additional amount to be withheld.

**Example 2.** Todd is completing this form in January and has entered \$824 on line C7. For his highest paying job, he is paid every two weeks and has 25 paychecks left for the year. Todd will enter \$33 on line C8 and Form OR-W-4, line 3 ( $\$824 \div 25 = \$32.96$ , which is rounded up to the nearest whole dollar).

## Worksheet C – Two earners / multiple jobs

If you (including your spouse) work three or more jobs at one time, consider using the **Oregon Withholding Calculator** at [www.oregon.gov/dor](http://www.oregon.gov/dor) for a more accurate calculation of your allowances.

If you don't use the online calculator, use this worksheet to figure the number of allowances to claim on the Form OR-W-4 for your **highest paying job**. For the best results, we recommend that you claim allowances only on the Form OR-W-4 you submit for your highest paying job, and that you claim zero allowances on Form OR-W-4, line 2 for all of your (or your spouse's) other jobs. Doing so will help prevent under-withholding.

Complete this worksheet only if you (including your spouse) have more than one job **and** the combined earnings from **all** jobs exceed \$20,000.

- C1. Enter the number from **Worksheet B**, line B15. If you didn't use Worksheet B, enter the number from **Worksheet A**, line A4..... C1.
- C2. Enter the indicated number based on your 2023 anticipated filing status ..... C2.   
 • **Single, Head of Household, or Married Filing Separately:** Enter "2"; **however**, if two of your jobs individually exceed \$40,000, enter "4".  
 • **Married Filing Jointly or Qualifying Surviving Spouse:** Enter "3"; **however**, if two of your jobs individually exceed \$50,000, enter "6".
- C3. If you (including your spouse) will work three or more jobs at the same time at any point during the year, enter the indicated number for your 2023 anticipated filing status. Otherwise, enter 0 ..... C3.   
 • **Single, Head of Household, or Married Filing Separately:** Enter "2".  
 • **Married Filing Jointly or Qualifying Surviving Spouse:** Enter "3".
- C4. Add lines C2 and C3.....C4.
- C5. Is line C1 **less** than line C4?  
 • **Yes.** Enter 0 on line C5 and on Form OR-W-4, line 2. Continue with lines C6 through C8 to figure the additional withholding amount necessary to avoid owing tax with your return.  
 • **No.** Line C1 minus line C4. Enter the result on line C5 (if zero, enter 0) and on Form OR-W-4, line 2. **Don't** complete the rest of this worksheet.....C5.
- C6. Line C4 minus line C1 .....C6.
- C7. Line C6 multiplied by \$236 .....C7.
- C8. Line C7 divided by the number of **paychecks remaining in 2023** for the highest paying job and rounded to the nearest dollar. Enter the result here and on Form OR-W-4, line 3. This is the additional amount to be withheld from each paycheck..... C8.

## Instructions for the Domestic Authorization Agreement for Automatic Deposits

### Section A: General information

PERS encourages you to deposit your benefit payment directly to your bank or other financial institution for the following reasons:

- the deposit is always on time rather than depending on mail delivery;
- there is no risk your benefit payment will be stolen or lost; and
- if you are on vacation or ill, you will not have to make arrangements for your benefit to be deposited by someone else.

**Optional** - Tape your voided or canceled check to the back of the form. Do not attach a deposit slip.

**If faxing, fax voided or canceled check as a separate page 2, labeled with your PERS ID or SSN.**

The diagram shows a check with the word "Void" written across it. The check is addressed to "PERS Retiree, 1234 NW Center Street, Anytown, OR 20000". The payee is "PERS Retiree" and the amount is "\$ 1234". The bank is "ANYTOWN BANK, Anytown, OR 20000". The routing number is "123456789" and the account number is "0000987654321". A note says "Do NOT include the check number." and an arrow points to the check number "1234".

To have your benefit payment deposited directly, complete this form.

See the blank check guide above for information on where the routing and account numbers are located on your checks.

PERS must coordinate with your financial institution, and your first monthly check may be mailed to you. Future changes to your account number may result in a monthly check to be mailed to you. Therefore, you should always provide PERS with a current mailing address.

An information stub will be mailed three times per year to your current mailing address.
