

# Volunteer with the American Red Cross as a Youth Preparedness Presenter!

The American Red Cross's Youth Preparedness presentations are free disaster preparedness programs offered by the Red Cross across the country. Students in grades K-5 receive a 30- to 60-minute lesson and supplies to take home. The highly interactive lesson presentation teaches students coping skills, how to stay safe in home fires and other local hazards, and how they can empower their local communities to be more resilient!
